

Advance-Nilfisk Parts

Advance-Nilfisk Part - Think about how tiresome it will really be to clean up your very own home right after throwing a large party, with no help from cleaning equipment. Back in the day, when carpets and upholstery had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the state-of-the-art cleaning materials back then.

P.A. Fisker, the man who established Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Establishing the company in 1906, he began to produce motors to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the start was to have a worldwide company marketing products internationally.

The Nilfisk C1 was an incredible breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by a single person. This creation came in a time where other cleaning machines were very big and required 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an ongoing crisis; stuff get filthy and must be cleaned regularly, without too much effort.

Gradually but steadily, Nilfisk-Advance grew all through the years. In the 1980s, this expansion truly happened the time the company became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aiming to be amongst the leading global players in the market of professional cleaning machines. Nilfisk-Advance is presently located in every part of the world by gradually obtaining a lot of small companies in order to develop their product range and presence in new markets. They are proud to offer a range of cleaning solutions to meet every need.
