

Rockwell Part

Rockwell Parts - The business of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for delivery, quality, service and technology. They believe in working in an environment that supports the utmost integrity with empowered teamwork, combined with a relentless pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of ecological stewardship and safety in how they do business. The business has put different programs in place in order to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with whichever questions or comments, because they are glad to share and promote this policy with a greater understanding of their efforts. They are extremely devoted to preserving and improving the surroundings. AxleTech has an EHS program which not only protects the natural environment but which even actively protects their neighbors and staff also.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in manufacturing and designing planetary axles utilized for both commercial and military applications. These applications vary from airport ground support to construction equipment. AxleTech particularly designs axles in order to meet particular application demands. They have more than one thousand different axle specs within their existing offering. With over 100+ years of skill and history, AxleTech proudly supplies the most complete solution for any of your axle requirements. The business is well known in several military and commercial applications. They offer complete axle assemblies utilized for aftermarket replacement needs, together with servicing axle requirements for OE production. Their high mobility ISAS have further details that can be seen in the "ISAS" product collection.
