

Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines always offers fresh design ideas as proven in their product development. They enjoy providing items that energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills along with their knowledge of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When required, the employees within TREK and its several dealer members in both parts and in technical support would be obtainable. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment running and ready day after day is top priority. The company's top of the line technology delivers dependable machinery that eventually lowers your cleaning expense. The product, the price and the service all work together to make them the leader in the business.
